

Architectural elevation drawing of a building complex. The drawing shows a multi-story building with a gabled roof and a lower section with a flat roof. The building is divided into three main sections labeled A, B, and C. Section A is the central part with a gabled roof and a chimney. Section B is the right part with a gabled roof and a chimney. Section C is the left part with a flat roof and a chimney. The building has various windows, including small square windows and larger rectangular windows. The roof is dark grey, and the walls are light grey. The ground level is indicated by a dark grey line. The drawing is a technical architectural representation.

ELEWACJA PÓŁNOCNO - WSCHODNIA

A detailed architectural section drawing of a building. The drawing shows a multi-story structure with a complex roofline featuring several chimneys and a large, flat roof section. The building's facade is composed of different materials, including light-colored panels and dark, textured sections. A large, stylized tree is positioned in the foreground, partially obscuring the building. The drawing is annotated with letters A, B, and C, which correspond to specific features or materials. The overall style is technical and precise, typical of architectural drawings.
